Please Update Your Mason ID Card (image below)
Beginning 12.1.17 only the new
Mason ID will be accepted on
Mason Shuttles and the CUE Bus

Re-Card Process

The Mason Card Office is currently in the process of replacing all old Mason ID cards (white or green background). **If your Mason ID has a photo of the Johnson Center, you already have the new card and no further action is needed.**

Beginning later this fall, the old cards will no longer work on any of the following systems:

Meal Plans | Mason Money | Building Swipe Access | Copying | Printing | Libraries

Bring the old card and a valid photo ID (driver's license, passport, or military ID) to the Mason Card Office to get a new card free of charge. The current picture can be used or a new photo can be taken. Door access will update within 5 minutes.

If you do not have your previous Mason ID to turn in, then a \$20 replacement card fee may be charged. Please visit the Mason Card Office in person to obtain your new ID.

Old cards may be replaced at any of the three **Mason Card offices**. Later this semester, previous Mason ID iterations will lose all swiping capabilities.

In the meantime, all are welcome to visit.
