Several stops for the shuttle do not have timed stops (marked by "—" on the schedule) but the shuttles still drive by these stops as part of their normal routine.

If you want to catch the shuttle at one of the untimed stops, just be at the stop at the pickup time of the stop before yours! The driver will see you and stop to pick you up.

WHY THE BREAK IN THE TIMES? Due to the frequency of service between SCTC and Vienna Metro it's difficult to print all the times. So after 9:45am it is important to note, that we **STILL RUN SERVICE EVERY 30 MINUTES!** For example on this timetable you see 9:45am. The next Shuttle will leave at **10:00am, then 10:30am, 11:00am, 11:30am and so on until 3:30pm**, when you start seeing printed times again!
