

Gunston's Go-Bus

Gunston's Go-Bus will provide free transportation to anyone with a GMU ID. While we have been very lenient in allowing passage on all of our other shuttles to anyone claiming to have misplaced their ID, we must insist on showing GMU ID to ride this bus due to insurance regulations and property agreements.

- The shuttle runs seven days, with late-night service on Friday and Saturday nights. The shuttle will depart the Sandy Creek bus stop on the hour and half-hour.
- 🦎 *The bus stop at University Mall is on the back side of the mall next to the steps beside the movie theatres.*
- 🦎 *The stop at Fairfax Corner is across the street from the movie theatres on Palace Way.*
- 🦎 *Our bus stop at Fair Oaks Mall is on the northwest side of the mall, between Sears and Lord & Taylor.*
- 🦎 *The stop at Fair Lakes is on the outer ring road between Best Buy and BJ's gas station.*
- 🦎 *Our stop in Old Town Fairfax is behind the old City Hall in the gravel lot alongside University Drive between Main Street and South Street.*

All stops will be clearly marked with the distinctive “*Gunston's Go-Bus*” logo signage.
